Dear Sir:

This Reply is being filed in response to the Notification of Non-Compliant Appeal Brief mailed on March 17, 2010, and is being filed within the one month period set for reply. No fees are believed to be due. However, if any fees are required to enter this paper, please debit Deposit Account No. 19-1970.

In the Notification of Non-Compliant Appeal Brief, the Examiner indicated that the Brief, page 15, second paragraph, refers to evidence (publications disclosed on page 3, lines 3-19 of the specification) without providing copies of said evidence or including the required statement setting forth where in the record that evidence was entered by the Examiner.

Without acknowledging the propriety of this assertion, to expedite processing of this application, Applicants are submitting herewith a Seventh Amended Appeal Brief in which the sentence on page 15, second paragraph, has been modified to delete reference to publications and patents. Applicants respectfully submit that the brief should now be seen as being in compliance.
